Ready Mix CONCRETE

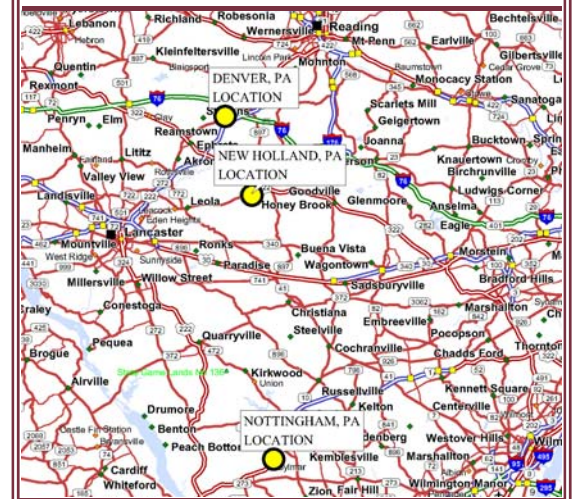

A Martin Limestone company

READY MIX CONCRETE

Today's fast-paced construction industry demands top quality products, delivered efficiently and on time.

At **New Holland Concrete**, we stay ahead of the competition by using the finest raw materials and the latest technology in quality control.

By employing the best people in the business and providing a full compliment of trucks, we can service your every need for Ready Mix. Visit or contact any of our 3 PA locations below:

WHY CHOOSE NEW HOLLAND CONCRETE?

1. SERVICE

- **Assurance** of mixes meeting specs.
- **Three plants** sharing manpower and trucks to service your larger jobs—all at the same price.
- **Front discharge** on our full fleet of trucks! And, at no extra charge!
- **Flexible scheduling**, including early morning pours to accommodate larger jobs.
- **Certified Quality Assurance Department** monitors the integrity of the concrete to guarantee highest quality and adherence to specifications.
- **No fuel surcharges** added to your invoice.
- **No hidden charges** or extra costs that affect your bottom line.
- **No flat rate fee** for delivery.
- **Competent and courteous staff** to assist with all your needs.
- **Service after the sale!** We partner with our customers to assure repeat business.
- **Plant-by-plant dispatch** . . . not centralized!
- **Average driver years of service = 9.6!** The best in the business!

2. ONE SOURCE FOR ALL YOUR CONSTRUCTION NEEDS

In addition to supplying your Ready Mix jobs, New Holland Concrete can meet many of your other construction product needs – whether it's through products we manufacture, such as:

- ◆ Concrete Block
- ◆ Colored Architectural Block
- ◆ Retaining Wall Block

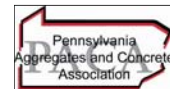

Or products we distribute through our Construction Supply Centers™ showrooms, such as:

- ◆ Concrete and Masonry Supplies
- ◆ Forming and Excavating Supplies
- ◆ Veneer Stone
- ◆ Metal Products
- ◆ Tools
- ◆ Bagged Mortars
- ◆ Glass Block
- ... and much more.

Door Solutions™, our commercial door division, can supply your needs for:

- ◆ Commercial Doors
- ◆ Hardware

3. MEMBERSHIP AFFILIATIONS

New Holland Concrete is proud to be a member of these trade organizations. Through our involvement, we gain knowledge of important laws, new products and techniques, and other issues that affect the Ready Mix industry.

4. JOB SITE QUALITY

Want to see the great work we have supplied? Just ask our sales reps. We would be happy to show you our product throughout the south-eastern PA region. Here is a typical example of our work:

5-Star Trucking Facility Mt. Joy, PA

New Holland Concrete poured the footers, sidewalks, curbing, flatwork, walls, and garage aprons.
