

## LEED® CREDIT CONTRIBUTION FOR CONCRETE MASONRY UNITS

### SUSTAINABLE SITES: 6 POINTS

Credit 2	Development Density & Community Connectivity	<i>Points: 1</i>
Credit 5.2	Maximize Open Space	<i>Points: 1</i>
Credit 6.1	Storm Water Design, Rate & Quantity Control	<i>Points: 1</i>
Credit 6.2	Store Water Design, Treatment	<i>Points: 1</i>
Credit 7.1	Heat Island Effect, Non-Roof	<i>Points: 1</i>
Credit 7.2	Heat Island Effect, Roof	<i>Points: 1</i>

### ENERGY & ATMOSPHERE: UP TO 10 POINTS

Credit 1	Optimize Energy Performance	<i>Points: 10</i>
----------	-----------------------------	-------------------

### INDOOR ENVIRONMENTAL QUALITY: UP TO 4 POINTS

Credit 3.1	Construction IAQ Management Plan, During Construction	<i>Points: 1</i>
Credit 4.1	Low-Emitting Materials, Adhesives & Sealants	<i>Points: 1</i>
Credit 4.2	Low-Emitting Materials, Paints & Coatings	<i>Points: 1</i>
Credit 7.1	Thermal Comfort, Design	<i>Points: 1</i>

### MATERIALS & RESOURCES: UP TO 11 POINTS

Credit 1.1	Building Reuse, Maintain 75% of Existing Walls, Floors & Roof	<i>Points: 1</i>
Credit 1.2	Building Reuse, Maintain 100% of Existing Walls, Floors & Roof	<i>Points: 1</i>
Credit 1.3	Building Reuse, Maintain 50% of Interior Non-Structural Elements	<i>Points: 1</i>
Credit 2.1	Construction Waste Management, Divert 50% from Disposal	<i>Points: 1</i>
Credit 2.2	Construction Waste Management, Divert 75% from Disposal	<i>Points: 1</i>
Credit 3.1	Materials, Reuse 5%	<i>Points: 1</i>
Credit 3.2	Materials, Reuse 10%	<i>Points: 1</i>
Credit 4.1	Recycled Content, 10% (post-consumer + 1/2 pre-consumer)	<i>Points: 1</i>
Credit 4.2	Recycled Content, 20% (post-consumer + 1/2 pre-consumer)	<i>Points: 1</i>
Credit 5.1	Regional Materials, 10% Extracted	<i>Points: 1</i>
Credit 5.2	Regional Materials, 20% Extracted	<i>Points: 1</i>

### INNOVATION & DESIGN: UP TO 4 POINTS

Credit 1.1	Innovation & Design, Structural Advantages	<i>Points: 1</i>
Credit 1.2	Innovation & Design, Life-Cycle Benefits	<i>Points: 1</i>
Credit 1.3	Innovation & Design, Acoustic Performance	<i>Points: 1</i>
Credit 1.4	Innovation & Design, Improved Air Quality	<i>Points: 1</i>

*Note: The Innovation and Design Credits are awarded for exceptional performance above LEED® requirements.*
